

**I would like to bring in the following charges against all the US nationals and their associates ever involved in this crime and conspiracy against my life, living and livelihood , health , family , reputation , (inc. privacy and dignity )**

**MY PETITION**

Respected Sir,

I would like to draw your kind attention to some extreme and horrendous criminality being conducted with the involvement of several groups or international rackets who claims their association with some filthy Non-resident Indians, their diabolically cunning associates and gangsters from US , UK and India and the complicity, if not participation, of many other agencies/ Govt officers.

I am a victim of extreme torture and abuse using Hi-Tech Weapon (Bio-Weapons/Neuro-Weapon) technology for the last 19 years which has destroyed my life almost and I'm going through a pathetically abnormal and painful life, full of pain, agony, anguish and suffering.. To hear my story would be terrifying and bewildering to an audience unaware of the specifics of these crimes but these are all true facts. It's like criminal break-in to my brain-body and mind for a degenerative and destructive slow-kill effort , that' inhuman, cruel and degrading to say the least.

The criminal use of these on me are causing the following effects :

- Complex control(attack/assault/torture and battery) of my brain & nerves with electromagnetic weapons.
- Draconian violation of Privacy for an organized crime and conspiracy against my life and rights . This is like living life inside a murder and a terror ( technological terrorism with harmful and criminal waves rays and radiations) .
- Severe torture and damage of brain, nerves and other internal parts through extremely harmful psycho-electronic weapons and poisonous chemical and heat radiation.
- Severest psychological/physiological/emotional torture and trauma through remote manipulation of brain, body and mind.
- Criminal Intimidation and threatening through Weapon-based V2K Torture/Crime Technology
- Painful and abnormal consciousness and spiritual manipulations and murder .

and many others the effects of which are very dangerous and damaging. I'm crying out in despair and desperately looking for help.

There is massive ignorance and secrecy regarding this, and victims such as me are being subjected to uncontrolled and unacknowledged torture and mental and physical destruction. This has remained completely unreported and undiscussed publicly. There are many others, all over the world, who are being subjected to similar torture and abuse.

As proof of evidence of such kind of technology and it's effect in the world , please take a look at the following site links :-

My freedom rights , life and liberty rights, health and family rights, security and privacy rights and right to equality and protection are taken away and I am getting brutally exploited and tortured to death. It's like a criminal slavery to me with conspiracy against rights and criminal deprivation and denial of my due life and rights for the last 19 years that is forcible taking away my life, living, earning, career , family and health, wealth & reputation mercilessly .

**Please treat this as an emergency Sir, as I'm in great danger, waiting for a dangerous and bleak future, getting invalidated and incapacitated slowly, I am completely broke, bankrupt , penniless and virtually on the road with my ill ,ailing and aged mother attempting suicides for our helpless and distressful condition in here in this world .**

**Alleged Offenders have violated United Nations Convention against Torture and Other Cruel, Inhuman or Degrading Treatment or Punishment, (CAT Convention)**

Offenders have Tortured Plaintiff and his family members with malicious intent to torture, privacy rights, brainwash, and enslave with severe psychological in-humane damages to one's spirit, and libel is actionable under Tort Claims of damages found under civil and criminal trials. This was done with the clear intent to inflict 'grievous bodily harm'. This Complaint includes Civil Conspiracy, Assault and Battery, Stalking, (having me stalked me en masse on foot and in vehicles). Medical Battery, Medical Malpractice, Non Disclosure and Concealment, Actual Fraud and Deceit, Negligence, Organized Harassment, Respondent Superior, Destruction of and Tampering with Evidence, Witness Tampering, Wrongful Termination, Intentional Infliction of Mental Anguish and Duress, Obstruction of Justice, blanketing my dwelling and surroundings and attacking me with electromagnetic energy, Deprivation of Sleep (depriving me of sleep due to neurological intervention) and Other Forms of Direct Energy Weapon Torture in order to disrupt and stop my prosecution of lawsuit against Offenders to expose them, vandalizing my home and/or car and electronic equipment, tapping my phones and hacking my computer, blacklisting me in the labor market, —workplace mobbing, bombarding my body with debilitating electronic and mind manipulation effects to impair and incapacitate Plaintiff so that Plaintiff's demise looks like illness or disease rather than injury, and all other charges expressly alleged herein in the body of this complaint. Offenders have directly performed, or aided, abetted, counseled, commanded, induced, procured, encouraged, promoted, instigated, advised, willfully caused, participated in, enabled, contributed to, facilitated, directed, controlled, assisted in, or conspired in the commission of the above-described acts

Offenders have committed Battery against the Plaintiff in violation of Section 39 of the Criminal Justice Act 1988. Offenders have committed Medical Battery and Medical Malpractice against

the Plaintiff as provided in 10 U.S.C. 1089(e), 28 U.S.C. 2680(h) and 28 U.S.C. 1346 (b) and this Gross Medical Negligence also amounts to a Negligent Tort. The existence of a legal duty on the part of the doctors to provide care or treatment to the patient (Plaintiff) existed and there was a breach of this duty by a failure of the treating doctor and medical professionals to deliberately breach and not adhere to the standards of the profession in order to meet the instructions of the Offenders, which the Offenders did facilitate. As such, a causal relationship between such breach of duty and injury to the patient occurred and the existence of damages that flow from those injuries are such that the legal system can provide redress. The defendant s conduct goes beyond mere nondisclosure, and in fact constitutes active concealment, and liability attaches. Stated otherwise, when active concealment is demonstrated, it has the same legal effect as „Fraudulent and Negligent Misrepresentation as Plaintiff filed separate FOIA Requests with all Offenders which the Offenders refused to comply with stating they had no such “records responsive to my request”, etc. Offenders engaged in this activity to prevent Plaintiff from proving Offenders are involved as this would lend credibility and evidence to the Plaintiffs allegations in his lawsuit.

Offenders engaged in Actual Fraud and Deceit against the Plaintiff as prohibited by 11 USC Section 523 and 18 U.S.C. 1349. The plaintiff paid monetarily out of pocket expenses and through his medical insurance for the medical services and treatment he sought and the Offenders did everything in their considerable power to prevent Plaintiff from being able to get medical corroboration from doctors as to the injuries he suffered from the Defendant’s attacks. Plaintiff is thus entitled to protection under federal law especially as this relates to the breach of confidential medical, legal, and forensic information at issue as this has independent economic value. The material misrepresentations and fraudulent conduct of the Offenders constitutes a breach of federal law and is actionable in federal court. The Offenders knowingly made false representations and acted with deliberate misconduct and malice mentioned in the body of this Complaint with intent to deceive or induce reliance, which the Plaintiff justifiably relied upon resulting in injury and damages. Offenders have committed Witness Tampering (18 U.S.C. 1512

Offenders have committed Obstruction by Violence (18 U.S.C. 1512(a)). Offenders have committed Auxiliary Offenses and Liability Obstruction by Intimidation, Threats, Persuasion, or Deception (18 U.S.C. 1512(b)). Offenders have committed Obstruction by Destruction of Evidence (18 U.S.C. 1512(c)). Offenders have committed Obstruction by Harassment (18 U.S.C. 1512(d)) against the Plaintiff and are thus liable under federal law which is actionable before a federal court.

I am entitled to Civil Damages 18 U.S.C. § Rule 2520 in violations of his First, Third, Fifth, and Thirteenth Amendments; 18 U.S.C. § 2510, 18 U.S.C. § 2511, and 18 U.S.C. § 2512.
