

## The Arrest, Croak and Seize Order

### TO WHOM IT MAY CONCERN

It is hereby being notified in **strict legal terms and worldwide , against all such activities as taking place against my life and rights and more specifically against my brain, nerve, body and mind through illegal, criminal access of it** and through advanced weaponized ways and means or machines and mechanism as is used in here (like advanced neuro-weapons /bio-energy weapons/psycho-tronic weapons, (in essence called "mind control weapons" or directed energy weapons), is much like the case in Havana Syndrome, the cause and effect value of which is discussed in plentiful terms in US media and papers ), and that it is a very deadly and dangerous torture and crime and a much derogatory conspiracy against a human being (*which might have been forcibly getting done in the hoax and gimmicks of Human Subject Experimentation or Mind Control Research, but no way qualified for anything in any due terms (i. e. people process or papers ,and in any consent or rights )*).

So, any person ever found in possession, association and connection with any of the above (I.e. **unauthorized man, machine, money ,material or papers**) is hereby being made strictly and legally bound in all sense of terms as is due for the cause. (like USC 241,242,2441,2340A,2332h, 2551, and US Constitutional Amendment act 4,5,8,9,13 and 14 ,along with IHL and ICL and UN Charter of fundamental rights and CAT conventions (as applicable for Universal Jurisdictions worldwide),and all such things are required to be arrested, croaked and seized immediately ..
